

GRAIN AND PRODUCE MARKET

Wheat Receipts Are Good and Demand is Active, But Prices Rule One to Three Cents Lower.

CORN REMAINS QUITE FIRM

Omaha, June 2, 1916.

Receipts of all grain were good today and there was a moderate demand for everything on the list.

The cash wheat market, however, was rather weak and ruled from 1/8 to 1/4 lower. The better grades held up well and the decline was not particularly in the poor samples of No. 4 hard wheat.

Yellow corn sold at a substantial premium over the other varieties, but the market generally ranged from steady to 1/4 lower.

Most of the oats sold around yesterday's prices, but a few were sold at an advance.

Rye and barley were quoted nominally unchanged.

Clearances were: Wheat and flour equal to 1,000,000 bushels; corn, 1,100,000 bushels; oats, 1,000,000 bushels.

Liverpool close: Wheat, 1 to 1/4 lower; corn, 1/4 to 1/2 lower.

Primary wheat receipts were 751,000 bushels, and shipments 601,000 bushels, against receipts of 744,000 bushels and shipments of 622,000 bushels last year.

Primary corn receipts were 1,100,000 bushels, and shipments 1,100,000 bushels, against receipts of 1,100,000 bushels and shipments of 1,100,000 bushels last year.

Primary oats receipts were 1,000,000 bushels, and shipments 1,000,000 bushels, against receipts of 1,000,000 bushels and shipments of 1,000,000 bushels last year.
